Dear Parents/Carers,

Today is the end of our first term and what a term it has been! Seeing the children returning to school and so many of our routines resuming has been an absolute pleasure. It has certainly meant that operationally things have been much easier for all of the children and staff.

Today we say farewell to Mr Smith who has done a great job covering the end of Miss Vines' adoption leave. Thank you for your hard work in teaching Year 3 Mr Smith.

You will read on the next page about our success in the football tournament on Wednesday I was able to attend and was very proud of the boys' efforts. It goes to show just how far sport has come over the last three years at our school. This is not just in competitions or in football but through regular high quality PE lessons in a huge range of sporting areas that all of the staff have contributed towards.

I hope that the children enjoy a well deserved two week break from school and look forward to seeing everyone at 8.45am on Monday 8th November.

Be on time at quarter to nine!

Graham Almond

Flu vaccination in school

*separate letter sent out

Notification of Absence

As you know we take attendance and safeguarding very seriously and they are closely linked. We cannot accept emails telling us your child is not going to be in school. **You must call the School Office (01754) 872429 to inform us of your child's absence and the reason why.** If we have not had any contact from you it is likely we will conduct a home visit so we can make sure your child is safe.

Your child's annual flu vaccination

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

Please click on the following link to complete the online consent form for your child(ren): [Immunisation Consent \(lincolnshireimmunisations.co.uk\)](https://lincolnshireimmunisations.co.uk) Please complete at your earliest convenience as the online system for your school will be closed prior to our visit to allow for essential administration to take place.

You will need to enter the following code to ensure the completed form can be correctly allocated to your child's school: EE145489

Year 5/6 Boys Football Tournament

On Wednesday after school we took part in our first inter school sporting event of the year. Our team travelled to Skegness Grammar School to compete against teams from Richmond, Burgh Le Marsh and Huttoft (all schools with more children than ourselves) and ended up as runners up without conceding a goal! Not only did they play some great football they conducted themselves in a very sporting way, just as we would expect, throughout. Well done boys and thank you Mr Patten for your expert coaching.
