

Year 5

In Year 5 this half term we will continue studying WW2 so have linked some exciting home learning for your child/ren to do by **December 19th**. We ask that adults at home try and do some of the activities with the children and question their choices to provoke enjoyment and curiosity with learning.

Activity 1

English

Create a Remembrance Poem which is full of powerful, emotive language that allows the reader to connect with the past.

Remember: Look at different types of poems online and try different formats: rhyming couplets, narrative poem, haiku, etc.

Activity 2

Maths

Create different graphs to demonstrate your mathematical ability but also things you do out of school.

Ideas: TT Rockstars progress over the term, home many steps you do each day/week, amount of rainfall in your garden each day, how many kick-ups you can do each day.

Activity 3

Theme

To celebrate and pay our respects to soldiers in all wars, create a piece of artwork which shows poppies in a battlefield. Use the internet to inspire you.

Remember: Use a range of resources: paints, crayons, collage or print are all options.

General home learning

- Read your book every night for 20 minutes
- Practise your spellings
- Share your learning with someone at home
- Practise your times tables (TT Rockstars online)
