Date: Friday 6th July 2018

Dear Parents/Carers,

The year is flying by! The children continue to work hard and it is great to see the progress that they are making. Year 6 have been out at their new schools this week and as usual have come back to what feels like much 'smaller' surroundings.

As the weather continues to be warm it has been super to see the children bringing their water bottles into school so they can be refilled during the school day and wearing hats to protect themselves from the strong sun at lunch time and play times.

The whole school were treated to the first viewing of the 'Robin and the Sherwood Hoodies' our Year 6 production this morning. The performance was excellent and it was fantastic to see how well the children had learnt their lines. It is a real team effort as the children not performing are sound and lighting technicians. Our parents and carers are in for a treat next week!

Finally, now I have started to add my 'Come on England' support in previous newsletters and results have been favourable, the superstitious side of me simply has to say it again ready for Saturday afternoon! Come on England!

Jaydan - showing our value of respect all week being helpful and kind.

## Sporting Update

Over the past nine months we have been actively involved in the Coastal Area Primary Schools Partnership. Of the 17 events organised, children from Chapel St Leonards have been involved in 15 of them. A great many children have taken place in one or more competitions ( Year 6: 96.7% of the class have been involved, Year 5: 86.7%, Year 4: 93.5% and Year 3: 34.4%) where they have –

- Seen enjoyment of the event with simply taking part being most important.
- Developed their skills as the event progressed.
- Handled their anxieties in a positive way.
- Seen how to be a good sports person when winning and how to lose in the correct manner.

Our thanks must go to parents and carers and who have given permission for us to involve their children and being understanding on the occasions when events have overrun. This year has laid down a marker for us to build on next year.

The school would also like to place on record its sincere thanks to Mr Ray Borrell for his dedication and enthusiasm. This really has been a huge factor in the improved provision and engagement for our children. Thank you Mr Borrell. Roll on next year!

## Sports Day

Sports Day is on Wednesday 11th July. The Reception, Year 1 and Year 2 events will take place in the morning from 10am until 12noon and the Key Stage 2 (Year 3,4,5,6) events will take place between 1pm and 3pm in the afternoon. Parents and carers will be welcome to come and join us to spectate. Please see the separate letter sent out today for more information.

## Vacancies in School
