

Year 4

In Year 4 this term, we are studying Predators so have linked some exciting home learning for your child/ren to do by 3rd April. We ask that adults at home try and do some of the activities with the children and question their choices to provoke enjoyment and curiosity with learning – this really can make a difference.

Activity 1

English

- Make a mini fact file or short digital presentation about your favourite predators and bring it to school to share with the class.
- Write a short, imaginative story or poem from the point of view of either a predator or its prey

Activity 2

Maths

- Write some real-life word problems linked to our Predator theme.
- Devise a maths worksheet using the bar method or the part-whole model?

Activity 3

Theme

- Use the web to research what different predators eat. Create food chains for a variety of different predators using materials and tools of your choice.
- Devise a 'What am I?' quiz about predators and try it out on your friends and family. How many questions does it take for them to get to the right answer?

General home learning

- Read your book every night for 20 minutes
- Practise your spellings
- Share your learning with someone at home
- Practise your times tables / TT Rockstars (online)
