**A message from The Nature Quiz Team!**

The nature quiz is a competition that takes place throughout the Shires of England to see who is the most knowledgeable about nature. There are 5 rounds - individual x 2, doubles, pictures and specimens. Ava and Tabitha enjoy the specimen rounds and Olivia and Freya enjoy the individual rounds.

We revised using cards provided by the school, also Dr Smith brought in plants and cards for us to use. Before the quiz we all felt very nervous because we didn't want to let our school down. So we always tried our best.

We would like to thank Mrs Feltham, Dr Smith and Ben Spring for helping us revise and supporting us. Also Mr Gatehouse who helped out with driving us there and Quiz Master Carron.

We feel very proud to have come runners up this year!

From Ava, Olivia, Freya, Tabitha and Abi.
