21st July - INSET Day
22nd July - 31st August - Summer Holidays

Meet the Teacher

Please contact the office if you have any questions for the teachers, after reading their power point presentations that were sent out.

Home learning

If you have any work that your child has done at home and would like to bring in, please can you send this in via your child's class email address:

acorns@bibury.gloucs.sch.uk

oaks@bibury.gloucs.sch.uk

mightyoaks@bibury.gloucs.sch.uk

Online Safety

Smartphones, computers and the internet are now such a fundamental part of our lives that it's difficult to imagine how we'd function without them. All of our online accounts - from banking to social media - hold personal information that if shared could be used for criminal gain. With this in mind, children and young people should have the opportunity to explore why they should keep their personal information secure and the steps they can take to do so. Please follow the link below for support and resources to help learn about online safety at home both for your child/children and as a parent.

Testing positive to COVID19

If you or your child test positive to COVID19 over the weekend, please let the school know by emailing

outofhours@bibury.gloucs.sch.uk

"WOW" Moments

We are encouraging our children to look out for wow moments. Things we notice that fill us with joy and make us say, 'Wow!' Mrs Pascoe discovered this cheerful sunflower growing underneath the bird feeder. Please send in your photos to the above email addresses relevant to your child's class.

What have we been up to this week!

Worship

This morning Matt Frost led worship by Zoom. He introduced us to puppets 'Bones the dog' and 'James the Market Trader' who helped the children think about thankfulness.

Acorns

The children have been learning how to complete a running stitch as they are making their own bookmarks.

Oaks

In Science we have been looking at circuits and finding their faults. In English we have just completed our first whole class collaborative story write.

Mighty Oaks

In Maths the children have been making human number lines and also in English completed their whole class write story.
