	Tuesday July 16 th Summer Play 2pm & 6pm
	Thursday July 18 th Year 6 Leavers Service 2pm
	Friday July 19 th Last Day of Term

FOREST SCHOOL AND HARTPURY

Children from Acorns and eight children from Oaks Class attended a whole day of Forest School at Lea Wood. We learnt about seasonal changes and also conducted a mini-beast survey. On the same day, eight children from Oaks Class attended Hartpury College with hundreds of others from across the county for a sports festival. The scale of the event was so different from anything the children had experienced before but they all coped well and showed the School Games values of Determination, Self-Belief and Teamwork.

FISHERMAN'S TALE

All the children attended a wonderful theatre production at Cirencester Baptist Church alongside three other schools from Cirencester. The production told the story of the disciples on the shores of Galilee in a highly engaging and polished musical performance. As always, the children conducted themselves beautifully.

FRANCE WITH YEAR 5 AND 6

Year 5 & 6 children have just returned from a wonderful time on their residential trip to France. From visits to the Menin Gate, a chocolate factory, a traditional bakery and eating snails for supper! As always they behaved impeccably.

SPORTS DAY

We were lucky this year with some glorious weather for Sports Day. The event was very well attended by parents and all the children had a thoroughly good time running, negotiating the egg and spoon, dressing up and tackling races in large wellies! Our thanks to Mrs Dearsley and Mr Peters who organised this very enjoyable occasion.

NATURE QUIZ FINALISTS

Congratulations to our team Olivia H, Abi, Tabitha, Ava O and Freya who got through to the Finals for the second year in a row. The girls competed with determination and teamwork and we are very proud of their second place. They conducted themselves so well as ambassadors for our school - well done girls.

RIAT WORKSHOP

Children in Oaks enjoyed an afternoon workshop provided through RIAT, where they designed and began to build catapults. Our best designers will be invited to attend the final at the Air Tattoo on the 19th July.

HOT LUNCHES

Year 2 Parents

From September, your child will no longer receive free meals unless registered as a free school meals child. Meals can be paid for via the school lunches tab of your ParentPay account.

Year 6 parents

As your child will be leaving us shortly please ensure that your ParentPay account is at zero when your child leaves. This helps ease the administration process of chasing debts and issuing refunds. Thank you

BIBURY PTA

We have gratefully received some more books for the library bought with money donated to the PTA. The books are aimed at children in Years 1 - 3 and will increase the range of books these children can access through the Accelerated Reader scheme.

TRAVELLING BOOK SALE

Thank you for purchasing books from the travelling book sale. We purchased a total of £184 of books which means that this gives the school £40 to spend on books. Well done.

GLOUCESTER CATHEDRAL

On Wednesday June 5th our Year 6 children attended the annual leaver's service at Gloucester Cathedral along with North Cerney Primary Academy School. The children had a lovely picnic before attending the service. As usual our Bibury banner was shown proudly along with the other schools attending.

DAILY MILE

We recently had a visit from Lisi Cottam from Active Gloucestershire who wanted to see how we could take part in the Daily Mile without easy access to a field. She ran around the churchyard with the children and then talked to some of them afterwards about running. It was great to hear so many of them saying how much they enjoyed it and how much better they felt for doing it.

Later she emailed the school, 'I thoroughly enjoyed my visit to Bibury Primary School to join the children in their Daily Mile run. The innovative use of the churchyard is a great example of the enthusiasm the school has to get their children regularly active. Once completed the children and staff alike were bright eyed and bushy tailed and ready to take on the afternoon of learning.'

BIRTHDAYS

Happy birthday to Matthew S, Theo, Raul and Elijah who will be celebrating their birthdays in June.
