Living Eggs Project

All our eggs have hatched so we have 10 very cute chicks 4 boys and 6 girls. On the last day of term the chicks will be ready to go to their forever home. With parental consent and suitable equipment, families can offer the chicks a permanent home. Families will need a heat lamp, chick food, water dispenser, wood shavings and a suitable box for a while until they grow big enough to sustain themselves. This will need to be set up by the last day of term when chicks can be picked up from school at 9am. Please contact the school if you are interested and we will create a reservation list.

Easter Eggs

Children's polystyrene decorated eggs can be left in Church on Monday 29th March. A table has been set up on the far side as you go in. Please make sure eggs have the children's initials on the bottom and are placed in the correct classes. The children's Easter hamper is in school and number squares are available to purchase at a cost of 50p, the winner will be announced at the end of term.

All activities will follow government guidelines and will be held at Bibury Football Club. Please note that we will be outside all the time and everyone needs to bring their own drinks and snacks.
