

Pupil premium spend 2017-2018

Background information

- Pupil premium funding was introduced by the Government in April 2011
- “The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.”
- “The pupil premium is paid to schools as they are best placed to assess what additional provision their pupils need.”
- “Ofsted inspections report on how schools’ use of the funding affects the attainment of their disadvantaged pupils. We also hold schools to account through performance tables, which include data on:
 - the attainment of the pupils who attract the funding
 - the progress made by these pupils
 - the gap in attainment between disadvantaged pupils and their peers”

Our School Vision

May our lives shine with the light and love of Jesus

Funding allocation

At Bibury C of E Primary School, we strive to ensure that all children have the opportunity to achieve their full potential. We want to prepare them for modern Britain and equip them with the knowledge, skills and understanding for the world after primary school. The effective use of Pupil Premium funding supports us to be able to achieve these aims.

Funding 2017-2018 was allocated to:

- Targeted support from external agencies for pupils whose needs might include the support of counselling services.
- Providing children with access to learning.
- Learning programmes and curriculum resources to enhance the learning of our Pupil Premium children.
