### Oaks

Congratulations to everyone for all your hard work and especially to those children who have achieved certificates last week: Hammond, Tom and Emily have all achieved their reading targets last week. Theo Creed, Tom and Olivia Hutchison and Alfie have all achieved bronze certificates for Mathletics. Abigail Creed, who spent the longest time on Mathletics last week, also achieved a bronze certificate.

Reading quizzes have been passed on Accelerated Reader by Isla, Hammond, Cristian, Matthew Szabo and Emily.

It has been lovely to see some new names popping up on Spelling Shed, and our Nessy users have also been busy last week, with Ella-Mai learning the most spelling words. Our spelling shed champions are Hammond and Alfie, who have played nearly 50 games each.

Well done to all of you for working so hard on your learning at home. We're very proud of you all and it is lovely to see the results of pupils' work being shared on our Padlet pages. I hope that now that you have a new user guide, more of you will feel able to join in. Our 'star sharer' from Oaks this week is Alfie - a congratulatory postcard is on its way in the post.

Please also, if you can, add to our new nature page on Padlet, where we can help one another to identify all the things we see around us when we're out and about.

### Acorns

Congratulations to Beatrice who has met her termly reading target on Accelerated Reader twice this week and she receives 2 reading certificates Ben, Max, Iona, Alex, Poppy, Finley, Ava-Rose and Cleo who have been accessing lots of ebooks on the Active Learn site and completing quizzes on these to support their reading comprehension. Ava-Rose, Alex and Ben who have all achieved a bronze certificate in Mathletics this week.

Ava-Rose who has completed a whopping 21 games on Spelling Shed this week and Alex who has completed over 2 hours of work on Nessy this week.

A huge well done to everyone who successfully completed their home learning last week, I have enjoyed seeing and hearing about your work on instructions and seed planting.

Finally, a well done to all those children and parents who have contributed to our work on Padlet, it has been lovely to see the children commenting on each others work in such a supportive manner.

Finley receives the Acorn Award this week for his contributions on Padlet - his card has been dispatched in the post.
