

Our School Vision

May our lives shine with the light and love of Jesus

This Week: Monday 4th May 2020

<https://www.bibury.glo.ucs.sch.uk/web>

Thank you to all our parents. You are doing a fantastic job!

It was wonderful to see all your contributions to Friendship Friday.

This Friday is a bank holiday to celebrate VE day. Please have a look at the Padlet pages for activity ideas that you could complete with your child this week.

Next Friday we will be holding a virtual sports day so please look out for details of this too.

Holidays and INSET Dates 2020/21

- 8th May - Early May Bank Holiday
- 25th May - 29th May - Half Term
- 20th July - INSET Day
- 17th July - Last day of Term

Oaks

It was lovely to catch up with so many of you over the last week and I particularly enjoyed talking to some of the children. In the course of these conversations, it was suggested that some people might find it useful to have a timetable to help them to structure schoolwork in a more routine way and, in response, I have added a suggested weekly timetable to our Daily Activities Page this week.

Please, please do not feel that you are required to use this; having spoken to so many of you last week and seen the work that the children are producing, I know that you are all doing a wonderful job of juggling the home learning in these very difficult circumstances.

It is therefore important that you continue to organise this in whatever way works best for you and your family - there is no blueprint for the situation we find ourselves in and no 'right' or 'wrong' way. The government guidance which you received last week (and which can be accessed on our School Padlet page) should serve to reassure you of this.

I am so proud of the wonderful attitude that the children are showing in their determination to continue learning and to witness the care and thought that is going into their work at home. Please encourage them to keep sharing on Padlet so that we can try and maintain a feeling of community.

Congratulations this week

Congratulations to the following children who have passed reading quizzes this week: Raul (2), Lilly (2), Jack, Freya, Alfie and Cristian. Further congratulations to Raul and Alfie who have also met their termly reading target.

The following children have all achieved certificates for Mathletics: Tom Hutchison - bronze, silver and gold, Jack - bronze and silver, Olivia Hutchison - bronze and silver, Alfie - bronze, Theo Creed - bronze, Matthew Szabo - bronze, Evie Tock - bronze, Lilly Crowton - bronze. Theo Creed spent the longest time on Mathletics this week with more than 2 hours learning time.

Our top spelling learner this week is Cristian, who has completed 19 games on Spelling Shed.

Well done to all of you. Our 'Star-sharers' on Padlet for this week are Tom, Olivia H and Lilly and cards are on their way to you in the post.

Acorns

Well done Acorns, lots of you have been working really hard and I have enjoyed looking at and hearing about what you are producing.

It has been lovely to see more children posting their work on Padlet and receiving feedback on it this week - it all helps me plan and see what your next steps in learning are, so keep it up please.

Well done to Ava-Rose again this week who has been our spelling superstar on Spelling Shed completing 17 games. A reminder to Year 2 that this is your daily task and so you need to make sure you have played your 5 games a week.

Several children have been doing a lot of reading on our Active Learn site. Parents of children in EYFS deserve a big well done for ensuring all the children are consistently reading. Ben, in Year 2, you have really impressed me with the number of quizzes you have taken using Active Learn and how accurate your answers are.

In Maths, I can see lots of you are doing well with the learning from White Rose, some of you have been spending lots of time using Mathletics to improve your understanding - well done to Poppy, Ben, Alex, Scarlett and Finley for persevering with your tasks. Finley and Ben have amazed me with both a Bronze and a Silver certificate each this week. Freddie has earned a Bronze certificate this week as well.

Beatrice and Finley have also both achieved their termly reading target this week, Beatrice for the second time. Well done.

The Acorn Award this week has been awarded to Ben. Ben has impressed me with his reading, accurate completion of reading quizzes, his work on Mathletics, his science investigation and his fantastic writing which he submitted on Padlet a few days ago. Well done Ben.
