Summer Reading Challenge

We love to see our pupils get so enthused about reading, Last year, given all its weirdness, made for a very different Challenge. It became digital in format, with children logging their progress online and receiving digital incentives as they went. Gloucestershire Libraries also worked hard to distribute free, gifted books, packs and medals to vulnerable children across the county. These gifts were available for every child in care, and also to those accessing foodbanks across the county during the summer months. We are continuing with both these offers this year - digital content for all, and free books for vulnerable children - but our main aim is to get all children back in their local library! Fairford and Cirencester Libraries are currently open on Mondays, Wednesdays and Thursdays: 10am-1pm and 2-5pm, and on Saturdays: 10am-1pm.

This year's challenge is called 'Wild World Heroes', and was designed by The Reading Agency to be relevant, thought provoking, but above all - FUN!, the core challenge remains the same: 8 weeks, 6 books, 3 visits - any books at all! We hope that even the most reluctant readers could manage that, to achieve the challenge and its associated rewards. Please find below the link:
