Message from The Governors

Dear Parents and Carers,

As we enter the middle of term two, governors have been in to classes to visit lessons. We are very proud of how well the children are working and the progress they are all making. Thank you to Mrs Pascoe, Mrs Spring, Mrs Davies and TA's for all their continued support and hard work in helping our children reach their full potential.

One of the Ofsted's assessment criteria is attendance. At this present time Bibury is below the required average. We understand that some absence is expected and cannot be helped. As we enter winter and the cold and flu season, we ask Parents to be conscious of this and keep children off only if necessary as they miss valuable learning when lessons are missed.
