

Sports Premium projected spend for 2018-2019

Our School Vision

May our lives shine with the light and love of Jesus

Sports Premium projected Grant 2018-2019

At Bibury C of E Primary school project to receive funding as part of the Olympic Legacy, to improve the quality of P.E and sport provision for our pupils. This funding can be spent in any way that enhances the teaching of P.E and leads to a healthy and active lifestyle. One of the conditions of this money is that we must publish how we have spent the money so far and how we plan to spend the rest. To ensure that we make the most of this funding and gain maximum impact from it we have carried out a school audit. We have also appointed a 'sports champion' on our governing body to ensure and promote best practice in sport and our curriculum.

We believe that P.E. is an integral part of the curriculum, allowing children to experience various sporting activities and competing at different levels and abilities both in and outside school. We encourage all children to participate in all lessons and events and offer a varied range of activities to suit all abilities.

Introduction

We are projected to receive £16370 via the PE and Sports Grant to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5-11 years old, so that all pupils develop healthy lifestyles.

Aims

We aim to provide

- Regular high-quality P.E teaching from well trained staff
- Free before/after school sporting provision
- Access to sport events that encourage competition at all levels
- Strong sporting links with local primary and secondary schools

- To adopt a healthy attitude towards food and food preparation
- To forge strong additional sport activities by providing forest school
- To increase activity by purchasing additional sports, uniforms and activity equipment
- Encourage healthy living and eating habits through cookery lessons
- Provide free transport to and from sporting events with other local schools

The key outcome the school desires is for all pupils to have a positive attitude towards sport, recognising its many benefits including health education; instilling a legacy of life long enjoyment and participation in all sports and exercise.

The school achieved the Silver Sports Mark award 2017-2018 for participation in a wide range of Sports.

Projected spend for academic year 2018-2019 £16370				
Activity/Project	Cost	Objective	Impact	Sustainability over time
