### ParentView - Ofsted

Parents and carers can give  
their views of our school at  
any time during the school  
year and at the time of a  
school inspection using an  
online questionnaire called  
Parent View. When our school  
is notified of its next Ofsted  
inspection, parents will be  
invited to give their views  
about the school to  
inspectors using the Parent  
View online facility, as this  
has replaced Ofsted's paper  
questionnaire. Please make  
sure we have your most up-to-  
date contact details. Please  
register with an email  
address and a password at  
<https://parentview.ofsted.gov.uk/> Once your login has  
been activated, it only takes a  
few minutes to answer 12  
short questions about aspects  
such as bullying, the quality  
of teaching, the level of  
homework set, etc. Your  
views are important in helping  
inspectors make a decision  
about our school, and to help  
us know what is going well and  
what could be improved.
