Dear Parents/Carers

We have today been notified by Ofsted that they have published the report following their visit last month. It will be posted on our own website. [Click here to read the Ofsted Report 2018](#). The report will be published on the Ofsted website in September.

We are pleased that the Ofsted inspectors have recognised the recent improvements that have been made to the school. We are especially pleased that they have complemented the children on their good behaviour, which of course feeds into a positive and successful learning experience. The inspection confirmed the areas for improvement that we had previously identified and have been working with staff and governors to address. We are still in correspondence with Ofsted about this report.

We thank you for all your support as we continue in partnership with you to provide the very best education for your children in Flackwell Heath.

Have a great summer and we look forward to continue working together in September.

Yours sincerely

Mrs A Sheddick
Chair of Governors
