

Sports Premium Funding 2016-17

Grant received £7940 (9210)					
Total number of pupils on roll				241	
Summary of Grant spending 2016-2017					
Objective <ul style="list-style-type: none"> To effectively use the Sports Grant to raise the outcomes in PE, Sport and physical activity across school 					
Planned spending record					
Objective	Activity	Expected Impact	Cost	Actual impact	
1. To increase high quality PE teaching and learning throughout the whole school through team teaching coaching	Coaching for staff External teaching of sports lessons	Provision of PE to improve at Carrington Junior School, through raised teacher confidence and by equipping them with more effective and specialised skills in certain sporting activities.	£3600 per year	Provision of PE has improved at Carrington Junior School, with teacher confidence being raised in PE areas they are not confident in. The specialist coaches have given the teachers lots of good warm up exercises as well as helping the teachers with the planning of lessons.	
2. Evaluate different PE schemes of work and purchase one that suits the needs of children at Carrington Junior School	PE coordinator to evaluate different schemes available and to consult with SLT to ensure most appropriate resources are purchased. Val Sabin- gym, dance, game and athletics, LCP PE plans for KS2	Teachers will have a scheme to provide a basis for their teaching, which will contribute towards improving the quality of teaching and learning of PE in Carrington Junior School.	£300	After evaluating the PE schemes, it was decided that they would not be brought into, due to the fact that they did not offer a wide range of PE activities, they only focused on one specific area, which would not benefit the school.	

Sports Premium Funding 2016-17

<p>3. Increase physical activity at lunch times</p>	<p>Investigate school playground games, including new painted markings for the children to play on, e.g.</p> <p>Solid hop scotch Mr Wolf Chess board Number grid – 1-100</p>	<p>Children will be encouraged to do more physical activity and become healthier and more active. This may also improve behaviour at break times as children will have fun, engaging games to play.</p>	<p>£2200</p>	<p>Children have utilised the PE coaches who have come in at lunch times on Wednesdays and Thursdays, and have therefore been more active at lunch times.</p> <p>They have also used the areas painted on the playground, and have started using the extra equipment supplied to them.</p>
<p>4. Increase children activity at break and lunch times</p>	<p>Train Year 6 children to become play leaders. With the new games being brought, the Year 6s will be in charge of them, helping run them and keep the other children active. Mega 4 in a line Giant chess Store it Out Unit Giant tumble tower</p>	<p>This will encourage the children to join in with organised games and assist in making sure that all children are active and entertained during breaks and lunch times.</p>	<p>£700</p>	<p>The Year 6s have enjoyed being in charge of these games, and have been using them on a daily basis. Most children have used these pieces of equipment at least once this year.</p>
<p>5. To use pupil voice to improve the school's PE resources</p>	<p>Children to be consulted about which resources they feel would benefit the school/ children.</p> <p>Football goals & balls</p>	<p>This will help the children learn and encourage them to join in with the lessons as well as feel increased motivation to participate.</p>	<p>£1000</p>	<p>The children's ideas were listened to and more footballs, hockey sticks and balls, netballs, tennis balls, rugby ball and basket balls have been</p>

Sports Premium Funding 2016-17

	Hockey sticks and balls Netballs Tennis balls Rugby balls Basketballs			brought. This extra equipment has been used in both PE lessons and during break and lunch time, and has enabled the children to play a wider range of games, keeping them active.
6. To improve team confidence and pride when representing the school, through purchasing new sports kits	Children to have a sports kit to be proud of to wear when competing for the school	The children will have a greater sense of pride in representing their school.	£1800	New kit has been bought. The children showed a lot of pride in their kit, and have expressed a desire to wear the kit whenever we are going off site to an activity. The Wye Valley Games were a success, and the children enjoyed wearing a matching school athletics kit.
7. To engage boys in competitive sports by offering a school football club	School staff to run football club for Year 5 and Year 6 after school and to compete with neighbouring schools in various competitions/ matches.	The children will be able to take part in a football club, competing against other schools in both a league and a tournament. This will encourage the children to participate in sports as well as increase their competitiveness.	£350	The children competed in both leagues and tournaments this year, with the Year 6 children reaching the semi-final of the cup. They have all shown a great interest in football, and have represented the school proudly.
8. To increase	School staff to run netball	The children will be able to		The children competed in

Sports Premium Funding 2016-17

<p>additional PE participation of girls in school by offering a netball club</p>	<p>club for year 4, 5 and 6 after school and to compete in local league.</p>	<p>take part in a netball club once a week, as well as compete in a league. This will encourage the children to join the club due to the competitive nature of them.</p>	<p>£270</p>	<p>a netball tournament this year, and won, which the girls were extremely proud of. Due to this win, many more pupils have joined the netball club over the school year.</p>
		<p>Total Cost</p>	<p>£10,220</p>
