

Oak Trees MAT Children's Challenge

Every year, we challenge you to complete 10 activities. Take a picture of yourself completing the challenges and then, towards the end of the year, bring the pictures to school and make a collage of the activities.

If you are able to achieve all 10 you will receive a certificate and a badge at our awards ceremony.

Rationale

No matter of class, race, gender, religion or location, we want all Oak Trees children to experience a rich childhood that capitalises on the local environment and culture of Wirral. The challenge aims to motivate the children to:

-explore their locality

-use their leisure time wisely

-Spend time with loved ones

-develop their independence

-become respectful citizens

-enhance their cultural capital

-grow their creativity and imaginations

-collaborate with others
