

Aims

At Greenvale we aim

- That the whole school community should enjoy and achieve. All achievement should be recognised and celebrated.
- To develop a creative, stimulating and relevant curriculum tailored to the individual needs of the learner.
- To work in partnership with students, families, the multi-disciplinary team and the wider community to meet individual needs.
- To provide a secure, safe and supportive environment to promote maximum independence, confidence and learning.

Ethos

The school works to foster a spirit of mutual co-operation and self motivation it endeavours to be a learning community in which all can progress and develop together, and in which students can contribute to decisions about their own learning needs. The school is committed to continuously improving its performance.

The shared values which the school aims to develop include; respect for each other, students, staff and parents or carers; consideration and support. All of the above is incorporated into a learning environment which is first and foremost educational, but is also caring and supportive and aims to make learning an enjoyable experience.
