

<p>Personal Social and Emotional Development:</p> <p>We will be sharing stories about different sports and learning to take turns in sporting activities. We will learn to work as a team and how to celebrate each other's success.</p>	<p>Communication and Language:</p> <p>We will be learning new language related to sports and how to apply these new words in our play with others.</p> <p>We will continue to develop our story telling using small world props and enjoy lots of singing with our 'Nursery Rhyme' box.</p>	<p>Physical Development:</p> <p>During PE we will explore different skills including throwing, catching, kicking, aiming, balancing and rolling.</p> <p>We will learn how to use various equipment and which equipment helps us to learn different skills.</p>	<p>Mathematics</p> <p>In maths children will be learning to represent numbers to 5, and then 10 in different ways. They will be singing songs to develop their mathematical reasoning including the song 'Five Little Freckled Frogs'.</p> <p>They will also be learning the names of 2D shapes and how to spot these in their environment.</p>
<p>How To Support Your Child at Home:</p> <ul style="list-style-type: none"> • Go on sound walks at home – what sounds can they hear at the beach? the park? • Go on a shape hunt around your house – what shapes can they see? • Read to your child daily and discuss new words that they hear. • Practise putting on their own shoes and putting on and zipping up their own coat. <p>Useful stories:</p> <p>Peppa's Sports Day</p> <p>Spot Play Soccer</p> <p>Spot Goes To School</p> <p>Spot Loves Sport</p>	<p>How High Can I Jump?</p> <p>Nursery Summer 1</p>		<p>Literacy</p> <p>In writing we will develop our pencil grip to help us put meaning to the marks that we make. We will also learn how to form patterns and how to write our name.</p> <p>In reading we will learn how many syllables are in our names and explore environmental sounds by going on 'sound walks'. Pre-school children will be learning to orally blend words using our new 'robot talking machine!'</p>
	<p>Expressive Arts and Design</p> <p>We will be exploring paint and how to mix colours by using large balls to paint with outside. We will be using our gross motor skills to move balls along large sheets of paper.</p> <p>We will also be exploring different craft materials to make our very own sport medals.</p>	<p>Understanding the World</p> <p>During this topic we will be widening our understanding of how to keep fit. We will be learning which foods are healthy, how to care for our teeth and which foods are best as a snack.</p>
