Friday 14th September

Dear parents/ carers,

A happy new school year to you all! I hope that you've all had a wonderful summer. It's great to be back, hearing lots of wonderful stories of adventures over the holidays. A huge **welcome** to our new Reception children, they've settled in so well, as have all the children in their new classes. All of our **children are looking incredibly smart** in their new uniforms, with freshly trimmed haircuts and plain black shoes!

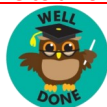

Lots has happened over the summer, with the new **Penryn Community Hub** now in place, new signage around the school and every class now has a Clevertouch interactive screen to support the children's learning. The Penryn Community Hub is a school run provision, which will host many different events throughout the year, as well as be a space to have a chat with our Parent Support Adviser, Ms. MacLachlan, who always has the kettle on! If anyone has any worries, concerns or would like an informal chat, please head straight up the drive and in to the community hub, you don't need to come in to the main school.

Our overall **attendance** has started positively, being above the National average of 96%. Your child's attendance is so important to ensure that they have every chance to achieve their potential. Hopefully your child will have received letters about the many amazing **clubs** that we have on offer this term, as well as music tuition information. If your child is in receipt of Free School Meals, they're entitled to **free music lessons** - an amazing opportunity and one not to be missed! Please get these back as soon as possible.

As always, your **support** is vital to ensure that we provide the best provision for our children. We have an open door policy and if you have any concerns or things to **celebrate**, please come in to discuss these at any time.

Best wishes and here's to a great year!
Mr. James Hitchens
Head of School

Forest School

We are excited to be starting our Forest School sessions which take place outside in all weathers, unless the weather is deemed to put children's safety at risk. For the comfort of your child could you please provide them with a pair of wellies or old shoes, a warm coat, hat and gloves in cold weather, and to protect their arms and legs in warm weather, a long sleeved top, trousers or leggings? The school will provide a waterproof coat and trousers. Please see the timetable for information on which days your child has Forest School - this can be found on the school website.
