Autumn Term 2

November 2017

AUTUMN TERM 2017 UPDATE

Our Highlights from the Autumn Action!

The last half term has been an incredibly busy one and our fierce competitors have started the year with plenty of enthusiasm!

Here is a brief low down on how the events have gone...

FOOTBALL FANATICS

Winners once again!

Over the last term we've taken part in 3 football competitions including the Heritage Cluster tournament which

we won thanks to several blinding goals and a win in every match played. This meant we went on to compete in the district final where we came a respectable 3rd. Both of these competitions were mixed teams and, as one of the only schools entering girls, we were praised for our sporting values and equal opportunities!

PROUD TO REPRESENT THEIR SCHOOL

CJS has been scouted out...

A huge CONGRATULATIONS to Poppy, Sam and Max in Y6 for being scouted and selected for the Bolsover District football squad! They'll not only represent CJS but represent the district as they compete in county wide competitions! We are very proud!

Multi-Sports Club

Our after school sports club is up and running and the children have enjoyed new age kurling, tag rugby, football and much more. They're also looking forward to basketball, boccia and hockey when they continue again after the Christmas break!

Tai Chi with Snapdragon

The wonderful Paul from Snapdragon has continued his work from Healthy Week by running an after school club on Fridays. All of the children taking part were really captured by the healthy week sessions and wanted to continue to learn this ancient art. We look forward to seeing their skills as they develop.

PLAY MAKERS & SPORTS CREW

The crew is expanding...

As I'm sure you are already aware, our Sainsbury's School Sports Organising Crew has been up and running for a few years now but things are about to be shaken up a little at lunchtime! Our fantastic Year 6 children take on many of the roles including leading activities for the juniors and the infants, writing reports, keeping the website up to date, writing this newsletter, promoting sport and also acting as a voice for our pupils.

However... we are now opening up the roles to Year 5 children who have the chance to become mini-leaders for the infants. This is a fantastic opportunity and means that another 20 children will have the chance to develop their leadership skills.

As well as taking on more new recruits, 21 of our lucky Year 6 children will be undertaking an accredited award—the Play Maker Award. This is a fully accredited youth qualification and will be an incredible opportunity for them and their futures. They will undertake their training and leadership challenges in January. This is not all... our current Sports Crew has also had a shake up and new roles have been appointed to really make the most of pupil's talents, skills and qualities. See the website for more info on this!

Year 5 mini-leader application forms are due to Miss Jones or Miss Waxman by Friday 1st December.

House Captain nominations and elections will take place in January... who will impress our student body the most? Who will receive this prestigious role?

PROUD TO REPRESENT MY SCHOOL
