

Clowne Junior School

Friday 15th June 2018

Dear Parents,

I wanted to take a few moments to update you on events over the next few weeks and share the latest news.

Summer Fair (Wednesday 20th June 9-12)

We will be holding our annual summer fair next Wednesday from 9:00am until 12:00am. We are hoping to have our usual range of stalls and attractions with lots of tasty refreshments to help recover from spending! We still need donations for stalls. The general rule is, if you don't want it, send it to school and we can sell it. It's just a bit unlucky if your child buys back the stuff you sent in! Thank you

Talent Show (Friday 23rd June 1:00 until 3:00)

Once again, this year, we have organised a talent show for our aspiring superstars. This initiative has become a fun highlight of our summer term. We used to combine it with our Summer Fair but it deserves to be a 'stand alone' event. Please come along and support the children in our very own 'Clowne's Got Talent' show.

Sports Day (Thursday 5th July 1:00 until 3:00)

It may be World Cup year but we have our own not to be missed sporting extravaganza. Our eagerly awaited Sports Day with its many competitive races will run 1:00 until 3:00 on Thursday 5th July. The event will start with a parade of competitors and we hope to be able to squeeze in the usual parent races to finish off the day (and a few of the parents I suspect!) Come along and enjoy the fun.

Transition Week (week beg. 16th July)

The final week of the year will be a transition week when all the children including the new year 3 will transfer to their new classes. We have run this initiative for the last two years and have found it a very effective way of preparing staff and pupils for the new academic year. It enables teachers to get to know their new class and perhaps more importantly the children to allay any fears they might have about moving up before the break for the summer.

TxtRound

We are increasingly sharing news and passing information using our TxtRound facility. It is quick, easy and effective and whilst it can't replace our newsletters it does cut out the 'middle man' in pupil post! However, we do need to have up to date mobile numbers. Please ensure you return the New Student Form we intend to send home next Monday with your up to date information.

Year 6 First-Aid

Congratulations to all our Year 6 pupils who have successfully completed an externally delivered and assessed course in emergency first aid. The children have received their certificates and whilst their awareness is basic we feel it is an important knowledge to have, to enable themselves and others to be safe.

Pupil Annual Reports

We will be sending home (via your child) the annual pupil report on the following dates:

| | |
|------------|------------------------------|
| Year 6 | Friday 6th July |
| Year 3,4,5 | Friday 13 th July |

We will remind you using TxtR but if you do not receive your report on these dates interrogate your child!

Hope to see you all over the next few weeks.

Martin Edge
Headteacher
