

Dear Parents/Carers

The children had a fun week at school last week, which was brought to a close with a taster of what Year Two will be like. The children enjoyed meeting their new teachers and returned from their visit upstairs feeling very grown up. This is all part of the carefully planned transition process for the children which will ensure that they will all be ready for the start of Year Two in September.

There is still lots of fun still to be had in Year One. Last week the children learnt what it would have been like to visit the seaside in Victorian times. The children watched a Punch and Judy show which they all found very funny. Our seaside theme continues this week and in English we will be looking at the book 'The Lighthouse Keeper's Lunch.' We will be designing and making sandwiches for the Lighthouse Keeper. If your child has any allergies that we do not already know about please let your class teacher know as soon as possible. The children will be learning the correct way to hold a knife and how to use one safely. They will be eating their sandwiches in school so they can evaluate their taste and appearance.

Some of the children had their hearing tests last week. The nurse will be returning to follow up any children that have not yet been tested, so please remember to fill in and return your forms if you have not yet done so.

The children are thoroughly enjoying their Thursday cricket lessons, please make sure that the children have their PE kit in school as they are still needed. The children will be going to the forest for their playball sessions on Friday - so please remember activewear, (school tops and with shorts, leggings or tracksuit bottoms and sports trainers, which are suitable for running.)

As the weather is warming up please remember to send your children into school with water bottles and named sun hats. We cannot apply sunscreen at school so it is advisable to apply it before they come to school.

Thankyou for your continued support.

The Year One Team
