

Dear Parents/Carers,

It's been a great first week back after half term. I hope you all feel rested and ready for another busy half term. We have got Art Week and our Year 2 End of Year Performance which we are looking forward to showing you.

RE: Happy Eid for those who are celebrating it!

This week we have continued to learn about Ramadan and we looked at Eid as it happened this week. The children worked at answering questions from a comprehension text about the celebration.

History and English

The children had a fantastic time at the Great Fire of London workshop. All the children got to dress up as characters from the time of the fire and act out what life would have been like in London, especially Pudding Lane. The leaders were incredibly knowledgeable and really added to our previous learning. The children were then able to take the new information and greater insight into what it would have been like to experience the Great Fire of London to add to their diaries. The children wrote their diary entries from the perspective of someone alive at the time of the Great Fire of London.

Reminders

We are going to **Kew Gardens next Wednesday** (12/06/2019). The children will be carrying their belongings during the whole trip, we would recommend that they either bring a small backpack or a disposable bag which we can dispose of once they have had their lunch. **Please can ALL children bring a plastic water bottle** which can also be recycled and left at Kew because we cannot take responsibility for any bottles left behind.

As we will be outside for most of the day please ensure that your child has sun cream on, a hat and is wearing suitable shoes. If it wet weather, please ensure they have a light weatherproof jacket.
