

Dear Parents/Carers,

Year One have had a busy time preparing for their Medley Performance next week. They are looking forward to showing you how well they can sing and recite their poems. Don't forget we will be performing on Wednesday 22nd May at 9.15am and at 2.15pm. Thank you to all of you who have brought in the children's costumes ready for our dress rehearsal on Monday morning.

In English we have been continuing to look at the story of the Snail and the Whale. We have learnt about postcards and what they are. We pretended to be the snail and write a postcard to our snail family about our exciting trip around the world. If you go away in the half term perhaps your child could write a postcard to their friends in school and post it to the school address. We can then share these in class together after the short break.

In Science we are thinking about plastic pollution in the oceans - the children have designed posters to try to help educate people about the damage that plastic is doing to our sea life.

The children are enjoying their Playball sessions every Friday with Danny at the Scout Hut. **They no longer need to bring their wellies to school.** If it is wet then we will be practising our ball skills in the Scout Hut.

Next week we are going to be making Rainbow Fruit Skewers. If your child has any fruit allergies or real dislikes please speak to their class teacher.

Please remember to practise the phonics sheets we are sending home each week. They will help your child with the phonics screening test in June.

Please remember to return your trip slips if you have not already done so. Payment must be made via parentmail.

Finally a quick reminder that school will be closed next Thursday 23rd May due to the elections - Year One after school clubs will not be running.

Thank you for your ongoing support.

The Year One Team
