

Dear Parents/Carers,

Welcome back. We hope that you all had an enjoyable half term. The children have all had the opportunity to write about something that they did in the half term and it sounds like many of you made the most of the Spring like weather.

The children have continued to make the most of the warmer weather this week and many have enjoyed playing outside without their coats. Unfortunately a couple of coats that were taken off in the playground appear to have gone missing. Please can you check at home to see if your child has taken home the wrong coat and hopefully we will then be able to return these lost belongings to their rightful owners. Please take this opportunity to also check that all items of school uniform are named.

The children thoroughly enjoyed their visit from Tom's Talking Reptiles on Thursday. We were very proud of their behaviour when handling the reptiles and mini beasts. It was an amazing experience for both the children and the staff and we would like to thank all those parents who have contributed to the school fund. Without your generosity the children would not be able to experience this hands on learning. Their fantastic writing on Friday was a true reflection of how important these experiences are for children.

Tom's Talking Reptiles

We will be celebrating World Book Day on Friday 8th March. The children can come to school dressed as a character from any book. This can be shop bought or home made. The Travelling Book Fair will also be visiting us on Wednesday, Thursday and Friday of this week. Please take this opportunity to support our school by browsing and buying books from the bookcases, after school in the main playground. The school receives a percentage of all purchases and this will be used to update the books in our school library.

Thank you for your continued support.
The Year One Team
