

SUTTON 2023

MAKE CULTURE MATTER

Sutton is bidding to be the London Borough of Culture in 2023 and we're calling on you, the people of Sutton, to help make this happen.

The Borough of Culture is a programme run by the Mayor of London to promote culture across the capital. Winning this would mean £1.35m worth of funding to devote to Sutton's culture, in 2023 and beyond.

We're seizing this exciting opportunity, and raising our ambition for Sutton.

With your support, this award will enable us to build on Sutton's cultural strengths, including our local communities, community arts, and heritage.

Culture includes every aspect of our lives from how we eat, dress, communicate, celebrate and socialise. Culture is found in our streets and public spaces, in our restaurants and cafes, our libraries and community centres. It is central to understanding where we are now, where we have come from, and where we are going.

Our vision is to bring culture to the heart of the borough and make culture matter for everyone of all ages and from all backgrounds.

This is your chance to help shape Sutton's cultural sector.
