

## English

The story of Town Mouse and Country House will allow us to explore different character profiles and help us to create a diary entry from a character's perspective. Paddington Bear will take us on a journey around London which will help develop our adventure stories.

## Science

In Science we will explore the properties of materials and how they can be changed through physical processes. We look forward to baking bread!

## PSHE- Jigsaw

Learning about dreams and goals will help us think about our ambitions for the future.

## Computing

Researching London will involve exploring Google maps, virtual tours and specific websites. We will use tools such as email and video technology to support our learning.

## Music

We will be looking at the Charanga topic 'In the Groove'. We'll be exploring different genres of music by listening and appraising, playing instruments, and singing. 'In the Groove' is a short song that is specifically written in different genres that we will look at each week.

## Geography

This term we will learn to locate UK counties and their capital cities using maps. We will use positional language to describe some of these locations and spot human and physical features. Comparing two different places will help us understand these differences.

# Spring 2 Bright Lights, Big City

## Phonics

Phonics will be taught daily using Read Write Inc.

## PE

Dance will involve representing city life and machines contrasting with nature and fluid movements.

## Maths

Maths involves exploring fact families, position, numbers to 20 and addition and subtraction within this.

## History

Why did London burn? Discovering the events of the past will help us to understand how things have changed. Sequencing key events in the Queen's life will also give us an understanding of time.

## Art

Within art we will be learning about portraits to create our own self-portrait stamps. We look forward to creating cityscapes from the present day and Tudor time.

## Design Technology

Building our own structures to represent London's key landmarks and Tudor houses from Pudding Lane will be great fun!
