

## English

In English we will be:

- Learning and performing poetry
- Writing a set of instructions to make a potion
- Writing a fantasy story based on 'George's Marvellous Medicine'
- Writing a factual report based on our science learning

## Maths

In Maths we will be continuing to focus on multiplication and division, then moving on to measuring area.

## RE

We will be learning about Judaism and the celebration of Shabbat.

## Science

In science, we will be learning about:

- The properties of solids, liquids and gases.
- The temperatures of different states of water
- Chemical reactions between substances
- The viscosity of different liquids
- The purpose of gas products and how they can be hazardous
- Evaporation and condensation in the water cycle.

# Spring Term 1 Potions

## History

We will be:

- Studying the life of William Morton
- Learning about the development of anaesthetics and how operations have changed over time.

## PSHE

Our jigsaw piece for this half term is 'Dreams and Goals'. We will be talking about setting targets and developing learning behaviour that will help us achieve them.

## Music

In music, with Mr Bartlett, we will be working on composing and performing lyrics.

## PE

We will be swimming every Friday. Every Tuesday we will be developing our dance skills.

## ICT

We will continue to reiterate how to stay safe online. We will:

- Learn how to use a photo editing program
- Create a PowerPoint presentation
- Create an online advert.

## DT

We will be:

- Designing a potion
- Designing a potion bottle
- Using a computer program to aid the design process.
- Evaluating our work
