NEWSLETTER – 18th January 2019

This week at Cavalry:

- Year 4 have been learning about renewable and non-renewable sources of energy. They have made some fantastic posters which they shared in assembly today.
- After reading 'George's Marvellous medicine', Year 2 have written their own recipes for medicine – full of unusual, imaginative ingredients.
- School Council recently requested some additional rubbish bins and some outside cushions for use in the outdoor classroom. The PTFA kindly agreed to buy these for us and they have arrived this week. The children chose some animal bins in the shape of a panda – they look very bright and colourful, and will be perfect for all our orange peel and apple cores after morning snack.

Coming up soon:

Other information:

As we enter a spell of cold weather, here is reminder about school closure procedures. We always aim to stay open, even if there has been a bit of snow. We would only close the school if there have significant amounts of snow which make it impossible for teachers to travel safely in to school, bearing in mind that some of our teachers travel in from Long Sutton, Peterborough, Ramsey or Ely.

If you are wondering whether the school may possibly be closed, please check the school website where a message will be posted by 7.30 a.m. We will also spread the news via our twitter feed and our school facebook page.

If we have some snow, we like the children to enjoy being outside so please make sure you send in hats, gloves and wellies – with names in of course!
