

Pupil premium strategy statement

1. Summary information					
School	Cavalry Primary School				
Academic Year	2019-2020	Total PP budget	£155,220	Date of most recent PP Review	October 2018 (TEFAT)
Total number of pupils	421	Number of pupils eligible for PP	114 = 101 Ever 6 6 Post Lac 5 LAC 2 service	Date for next internal review of this strategy	July 2020

2. Current attainment		
	Pupils eligible for PP (your school)	Pupils not eligible for PP (national average)
% achieving expected standard in reading, writing & maths	40%	70% (2018)
Reading progress score	TBC	0.31 (2018)
Writing progress score	TBC	0.24 (2018)
Maths progress score	TBC	0.31 (2018)

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers (issues to be addressed in school, such as poor oral language skills)	
A.	Pupils eligible for PP's attainment is below their peers though the gap is narrowing
B.	Baseline levels for many areas for development, particularly the prime areas, are below age-related expectations with Communication and Language Understanding and Speech being significantly below for those children eligible for PP
C.	Where children have made limited progress in KS1, there are significant gaps in their learning to be addressed in KS2, along with raising their self-confidence.
D.	For some children, having SEND as well as eligibility for PP means that they face multiple barriers to learning
External barriers (issues which also require action outside school, such as low attendance rates)	
E.	school serves a ward with significant social deprivation - 25% of children are in lowest quintile for social deprivation and 44% in second lowest quintile (IDACI)
F.	Eligible pupils attendance is significantly lower than all children (PP 94.77% Non-PP 95.62%). This is the same picture for persistent absentees
G.	safeguarding and welfare issues impact on children's well-being and capacity to learn and there are limited external resources and agencies to support families.

H.	We are located in a rural town with limited facilities and poor transport links, making it hard for children and families to access wider opportunities and life enriching experiences.	
4. Desired outcomes		
	<i>Desired outcomes & how they will be measured</i>	<i>Success criteria</i>
A.	Improve the rate of progress for pupils eligible for pupil premium across the school	<ul style="list-style-type: none"> • The percentage of eligible pupils achieving ARE will improve from in each year group from % achieved in 2019 • Eligible pupils make accelerated progress from their low starting points in order to diminish the difference between themselves and national data.
B.	Improve the attendance of eligible pupils and decrease persistent absenteeism	<ul style="list-style-type: none"> • Eligible pupils attendance to be in line with the school target of 97%. • Diminish the difference between eligible pupils persistent absenteeism in 2019 to be broadly in line with national comparable data.
C.	Improve the percentage of eligible pupils achieving the expected phonics standard at the end of Y1 and cumulative at the end of Y2 improves	<ul style="list-style-type: none"> • Percentage of eligible pupils achieving expected standard at the end of Y1 (73% in 2019)si maintained or increased • The difference between PP and non PP pupils is maintained at less than 10% in 2020
D.	Improve progress and attainment at the end of Key Stage 2	<ul style="list-style-type: none"> • Eligible pupils in Y3, Y4, Y5 and Y6 make accelerated progress during 2019 to 2020 as evidenced in books • More eligible pupils make at least expected progress from the end of KS1 to end of KS2 (Low, Medium and high prior attainment)so that progress measures are broadly in line with all others. • The percentage of eligible pupils achieving the expected standard in Reading, Writing and Maths improves from reading = 50%, writing = 44%, maths = 50% in 2019 to be broadly in line with all others.
E.	Improve progress and attainment at the end of Key Stage 1	<ul style="list-style-type: none"> • Eligible pupils in Y1 and Y2 make accelerated progress during 2018 to 2019 (at least 7 steps in year progress).. • More eligible pupils make at least expected progress from the end of EYFS to end of KS1 (Low, Medium and high prior attainment)so that progress measures are broadly in line with all others. • The percentage of eligible pupils achieving the expected standard in Reading and maths is maintained or improves from reading = 63%, maths = 58% and in writing improves from writing = 47%,so that gaps are diminished
F.	Increase the enrichment activities available to eligible pupils and increase the uptake of activities.	<ul style="list-style-type: none"> • Increase the number of eligible pupils accessing extra curricular clubs and activities including residential trips. • Eligible pupils attendance to be in line with the school target of 97%. • Diminish the difference between eligible pupils persistent absenteeism and national comparable data. • Pupil and parent questionnaire shows increased satisfaction with the school.
