

Any Other Events

P.E will be on Monday and Thursday afternoons. Please ensure your child has a **named** PE kit at school on these days. Please also ensure your child has **warmer clothing** for outdoor PE, such as jogging bottoms and a jumper.

Tuesday 13th October, we have provisionally arranged a Great Fire of London experience. This is a wonderfully exciting educational day, where the children take part in an interactive re-enactment of the Great Fire of London and get to see what it was like to live in the 1600's. The children will be encouraged to dress up for this. More details will follow shortly.

Monday 26th October – Friday 30th October is **half term**. There will also be a teacher training day on Friday 23rd October. The children return to school on Monday 2nd November.

Spellings will be coming home after half term, please make sure you practice these regularly with your child.

Autumn term ends on Friday 18th December 2020.

The children return to school for the **Spring Term** on Tuesday 5th January 2021. Monday 4th January is a teacher training day.

If you have any suggestions or ideas, or would simply like to ask a question, please feel free to catch us at the door at the end of the day. Alternatively, if you wish to speak to us in greater depth, or about a sensitive matter, please arrange a suitable time via email –

Class 3 & Class 4

How to help your child...

I spy the number...
Help your child spot numbers on their walk to school, or practice counting by seeing how many steps it takes.

Keep an eye on our noticeboard windows for any key messages.

Spellings will be sent home after half term. Help your child learn them each week, ready for their quiz on Fridays.

When shopping, encourage your child to write the weekly list and work out the amount to be paid.

Turn your child into a Masterchef with lots of cooking, weighing and following recipes.

Our topic this term will be...

History- we will be finding out all about the Great Fire of London. The children will investigate similarities and differences between how people lived then and how we live now.

English- We will be learning how to write in different styles this term; creating Autumn poems, writing vegetable soup instructions, and becoming the famous diary writer Samuel Pepys.

In PSHE we will be exploring how to keep ourselves safe in the classroom and at school, building relationships, and knowing how to cope with new situations.

Science – As the seasons slowly change from Summer to Winter, we will become scientists; closely observing the changes and having lots of Autumn fun at the same time!

P.E. This term our PE lessons will be outside wherever possible, so please ensure your child has **warm clothing** for colder weather. We will be learning ball skills, and basic team games. Please ensure that PE kits are at school, earrings are taken out and girls wear socks instead of tights.

Maths - Until Christmas we will be practising our counting up to and beyond 100, in 2s, 5s and 10s. We will be solving lots of problems, investigating shapes, and learning the basics of time. You can help by practising these at home.

Design & Technology
Harvest time gives us a great opportunity to discuss where our food comes from, and make some delicious treats!
