SONG # HE'S THE WIZARD

Sweet thing, let me tell you 'bout
The world and the way things are--a
You've come from a different place
And i know you've travelled far--a
Now that you've told me what it is
I'd better point you toward the wiz.

He's the wiz
He's the only one
Who could give your wish right to ya
(he's the wizard)
He can send you back through time
By runnin' magic through ya
All of the super power's his
Listen and i'll tell you where he is
He's the wiz and he lives in oz
(he's the wizard)

There's the way to the emerald city
Now that's not too far, is it?
(he's the wizard)
Just take your dilemma, child
And lay it on the wizard
He'll fix you a drink that will bubble and foam
And in a flash you will be home

He's the wiz
He's the wizard of oz
He's got magic up his sleeve
(he's the wizard)
And you know without his help
Twould be impossible to leave
Fantastic power at his command
And i'm sure that he will understand
He's the wiz
And he lives in oz
He's the wizard--he's the wizard

SONG # SOON AS I GET HOME

DOROTHY

There's a feeling here inside
That i cannot hide
And i know i've tried
But it's turning me around

I'm not sure that i'm aware
If i'm up or down
If i'm here or there
I need both feet on the ground

Why do i feel like i'm drowning
When there is plenty of air?
Why do i feel like frowning?
I think the feeling is fear.

Oh, here i am in a different place
In a different time
In this time and space
But i don't want to be here

I was told i must see the wiz
But i don't know what a wizard is
I just hope the wiz is there.

Maybe i'm just going crazy
Letting myself get up tight
I'm acting just like a baby
I'm gonna be alright
Soon as i get home
Soon as i get home.

In a different place
In a different time
Different people around me
I would like to know of their
Different world
And how different they fine me

And just what's a wiz, is it big?
Will it scare me?
If i ask to leave, will the wiz even
hear me?
And how will i know then
If i'll get home again?

Here i am alone, though it feels the
same

I don't know where i'm going
I'm here on my own, and it's not a
game

And a strange wind is blowing
I am so amazed by the things that i
see here

I don't want to be afraid, i just don't
want to be

Here

In my mind, this is clear
What am i doing here?

I wish i was home.

SONG # EASE ON DOWN THE ROAD

DOROTHY, SCARECROW, YELLOW BRICK ROAD, COMPANY:

Come on, ease on down, ease on down the road

Come on, ease on down, ease on down the road

Don't you carry nothin'

That might be a load

Come on, ease on down, ease on down, down the road

Come on, ease on down, ease on down the road

Come on, Ease on down, ease on down the road

Don't you carry nothin'

That might be a load

Come on, ease on down, ease on down, down the road

'Cause there may be times

When you think you've lost your mind

And the steps you're taking

Leave you three, four steps behind

Just you keep on keepin'

On the road that you choose, and

Don't you give up walkin'

'Cause you gave up your shoes

Ease on down, ease on down the road

Come on, ease on down, ease on down the road

Don't you carry nothin'

That might be a load

Come on

Ease on down, ease on down the road.

SONG - SLIDE SOME OIL TO ME

Side some oil to me
Let it slip down my spine
If you don't have s.t.p.,
Crisco will be just fine

Slide some oil to me
Hit my shoulder blade
All y'all that don't have to lubricate
Sure have got it made.

Slide some oil to me
Slip some to my side
Standing here in one position
Sure can make one tired

Slip some to my elbows
And my fingers, if you would
Some on, slide some oil to me, girl
Oooh, does that feel good

Slide some oil to my feet
Look, i have toes again
Come on and slide some oil to my
knees
And let me see if i can bend
Slide some oil to me
I'm beginning to feel fine
Come on and slide some oil to my
throat
And let me lubricate my mind
And let me lubricate my mind
And let me lubricate my mind

(Dance interlude)

Slide some oil to me

I'm beginning to feel fine
Some on and slide some oil to my
throat
And let me lubricate my mind
And let me lubricate my mind
And let me lubricate my mind
DOROTHY: Hit it, Tinman. Wait for
me.
TINMAN: Come on, honey!
And let me lubricate my mind
And let me lubricate
Let me lubricate my mind
My mind!!

Might be long sometimes

But just keep on steppin'

And you'll be just fine...

Don't you carry nothin'

That might be a load

Come on

Ease on down, ease on down the road.

SONG I'M A MEAN OL E LION

LION:

Say what you wanna
But i'm here to stay
I'm a mean ole lion.

You can go where you wanna
But don't get in my way
I'm a mean ole lion.

You'll be standing in a draft
If you don't hear me laugh
And if you have to come around
Better hope that i don't frown
'Cause i just might knock you down
Cuz i'm a mean ole lion.

Don't you know i'm ready to fight
I'll turn your day into night
I'm a mean ole lion
And if you're half bright
You'll detour to the right
I'm a mean ole lion

All you strangers better beware
This is the king of the jungle here
And if i happen to let you slide
Don't just stand there, run and hide
Now, you just caught my better side
I'm a mean ole lion
Mean ole lion!!!

SCARECROW: (After a very long pause.)

Well, he don't scare me. (To other two.) Do he scare you?

Just to find your courage gone

Only lasts a little while

And just stick with us

And we'll show you how to smile...

Come on...

Ease on down, ease on down the road

Come on

Ease on down, ease on down the road

Don't you carry nothin'

That might be a load

Ease on down, ease on down road.

SONG #14 SO YOU WANT TO SEE THE WIZARD.

WIZ:

So you wanted to meet the wizard
Let me tell you that you've come to the right place
Shall i make you a frog or a lizard
You should see the strange expression on your face

If the way i come on is frightening
That's the way i felt like coming on today
Have you ever been kissed by lightning?
Let me tell you that will make you go away!

I fly, and the magic of my power takes me higher
To a level where the clouds turn into fire
In the warmness of the fire
I feel fine

Just keep your eyes open and the magic you will see
It will whistle on the wind
As it emanates from me
It's a strong and true vibration,
You can feel it on your skin

Now come and take my hand
And we will dance
Upon the wind
So you wanted to meet the wizard!!

SONG :CAN YOU FEEL A BRAND NEW DAY

COMPANY:

Everybody look around
'Cause there's a reason to rejoice,
you see
Everybody come out
And let's commence to singing
joyfully
Everybody look up
And find the hope that we've been
waiting on
Everybody's glad
Because our silent fear and dread is
gone
Freedom you see
Has got our hearts singing so
joyfully
Just look about
You owe it to yourself to check it
out
Can you feel a brand new day?
Can you feel a brand new day?
Can you feel a brand new day?
Can you feel a brand new day?

Everybody be glad
Because the sun is shining just for
us
Everybody wake up into the
morning into happiness
Hello world
It's like a different way of living now
Thank you, world
We always knew that we'd be free
somehow

In harmony let's show the world
that we've got
Liberty
It's such a change for us to live so
independently
Freedom you see
Has got our hearts singing so
joyfully
Just look about
You owe it to yourself to check it
out
Can you feel a brand new day?
Can you feel a brand new day?

DOROTHY:

Everybody be glad
Because the sun is shining just for
us
Everybody wake up
Into the morning, into happiness

Hello, world
It's like a different way of living now
Thank you, world
We always knew that we'd be free
somehow

COMPANY:

In harmony let's show the world
that we've got
Liberty
It's such a change for us to live so
independently
Freedom, you see

SONG: IF YOU BELIEVE

If you believe
Within your heart you'll know
That no one can change
The path that you must go
Believe what you feel
And know you're right because
The time will come around
When you'll say it's yours

Believe there's a reason to be
Believe you can make time stand
still
And know from the moment you try
If you believe, i will you will

Believe in yourself
Right form the start
And you will have brains
And you'll have a heart
And you will have courage
To last you your whole life through

If you believe in yourself
If you believe in yourself
If you believe in yourself
Maybe you can believe in me too!

SONG: HOME

When I think of home
I think of a place where there's love
overflowing
I wish I was home
I wish I was back there with the
things I been knowing

Wind that makes the tall trees bend
into leaning
Suddenly the snowflakes that fall
have a meaning
Sprinklin' the scene, makes it all
clean

Maybe there's a chance for me to
go back
Now that I have some direction
It would sure be nice to be back
home
Where there's love and affection
And just maybe I can convince time
to slow up
Giving me enough time in my life to
grow up
Time be my friend, let me start
again

Suddenly my world's gone and
changed it's face
But I still know where I'm going
I have had my mind spun around in
space
And yet I've watched it growing

Oh, If you're list'ning God
Please don't make it hard to know
If we should believe in things that
we see
Tell us, should we run away
Should we try and stay
Or would it be better just to let
things be?

Living here, in this brand new world
Might be a fantasy
But it taught me to love
So it's real, real to me

And I've learned
That we must look inside our hearts
to find
A world full of love
Like yours
Like mine

Like home...
