

In Geography we will be using simple compass directions and locational and directional language to describe the location of features and routes on a map. We will also be learning about the physical and human features of the UK. We will be comparing how vegetables grow in different climates depending on the country.

In Art we will be studying the artist Henry Moore and creating sculptures inspired by him.

In DT we will be a creating, making and evaluating a healthy recipe.

In PE we will be doing team building games and athletics in preparation for sports day. We are going to practise are running, catching, throwing and balancing skills.

# The Secret Garden

We will be identifying and naming common plants and describing the structure of them. We will investigate where plants grow best. We will also be learning about types of animals including minibeasts and exploring their habitats.

In Music we will be performing a song called 'Ugly Bug Ball'.

In RE we will be discussing special books and learning about different places of worship.

In Literacy we are going to be writing British poems. We will be learning fantasy stories and writing our own ones. We will be writing instructions and recounts linked to our science.
