Reception Class New Term Project

Dear Parents and Carers,

Welcome to Banwell Primary School and your child's first term at school. We are so pleased with how well the class are settling into school life. Please find attached an overview of the learning planned for terms 1 & 2 within our project of "Where have all the dinosaurs gone?"

To launch our project we will be having a 'wow day' on **Tuesday 6th October** focusing on dinosaur activities. We ask, if your child has an item of clothing with a dinosaur on it or a dinosaur costume that they wear it to school on this day.

Usually we end our project with our own Museum exhibition / Dinosaur Play Park for parents. This is an opportunity for the children to showcase their learning that they have completed across the term. However, with Covid we may have to think of a different way to celebrate and showcase our learning this year!

As we go along the children's interests may take us in new directions and we will look for opportunities to develop these interests and extend their learning.

We are currently planning our 'All about Reception' meeting, which this year will be via zoom. Details and an invite will follow soon. This is when we have the opportunity to share with you our expectations for the year and what the children will be learning in class and it will give you the opportunity to ask any questions. If in the meantime if you have any questions please email the school and mark it for the attention of the reception class team.

If you have any questions or concerns about your child's education, please do not hesitate to contact us.

With thanks for your support.

The Reception Team
