Dear Families

It has been a strange month and I think the weather has been cleverly illustrating how everyone is feeling. Hot days and cold days, sunshine and showers, or in terms of school sunhats and wet socks!

The children enjoyed Bump Up Day this week. They met their new teachers, saw their new classrooms and completed some fun tasks. We have also started to welcome our new Bears, who have had their first visit to school. We were also excited to hear from some of the Year 2 children who went to visit their new Junior schools.

We have many wonderful activities going on in school: such as releasing butterflies that the children have grown from caterpillars, trips to the allotment to help plant seeds, do some weeding or release baby frogs, visits around town, International Day with an Indian Dance Workshop and many other fun activities.

REMINDER: You can keep up to date with everything that is going on in school by visiting your class pages. If you need help accessing these please, call the school office and Mrs Edmends can help you.

Finally on Friday 16th July, you will receive your child's end of year report. We do not have parents evening in the Summer term, however, we have set aside the evening of Monday 19th July if you have any questions about your child's report. We only have limited slots available, therefore please speak to your class teacher if you wish to make an appointment and they will then call you after school on that day.

Have a wonderful weekend.

Victoria Abbott
Headteacher

What's going on in school...

Lost Property

There is a large amount of unnamed clothing in lost property and left in classrooms.

We will place the lost property bin outside the front gate on the last week of term (weather permitting). Please can all families make a concerted effort to look for items and ensure that all uniform is labelled.

Book Amnesty

Our school reading books are important to our children and us. Throughout the year, many books are lost at home or are not returned. These books are very expensive to replace so please join our book amnesty and return any books that you find at home that belong to us. Please put them in a bag and hand them to your class teacher on the gate.

International Day

On Tuesday, the children came dressed in the colour of their classes' flag. The school was buzzing with the children learning all about their country and even getting to try some exciting new food.

As part of international day, every class were treated to a Bollywood workshop, where they learned a few complex dance moves, before getting the chance to ask the teacher questions about India's culture and customs. The children were brilliant, really, energetic and loved every minute of it. Amy Betterton our PE Lead said the children really enjoyed the chance to soak up another countries culture.

The Golden Boot winners for 2021 are...

HEDGEHOGS!

Other news...

Godalming Staycation 2021 for Godalming residents takes place from Saturday, 7 August to Sunday, 15 August.

For more information, please visit their [website](#).

Surrey County Council Family Information Service

On the [Surrey County Council website](#) there is a fabulous area called the Family Information Service.

It is a great starting point when you are looking for information on a whole range of issues including:

- 30 hours of funded child care
- Keeping your family safe
- Childcare
- Education and learning
- Support and advice
- Early Help
- Special Educational Needs and Disability
