

When I look at the night sky and see the  
work of your fingers— the moon and the  
stars you set in place—

Psalms 8:3 NLT

Dear Father,

Thank you for your wonderful creation, help me to take care of it and appreciate it  
by being more aware of what's around me.

May I remember you when I look at the stars and hear the wind rustling through  
the trees.

Help me also, to be the the person you created me to be.

In Jesus' name,  
Amen

How does looking at God's artwork around you, make you feel?

Why not attempt to make a mood board or collage to represent how you feel about  
God's creation.
