Visits and Visitors

Kernow Forest School

Innoko had a fantastic day on Monday. At the end of the session, when asked whether they would like to visit again, there was a resounding YES! The class were split into three groups: den building; scone making and toasting marshmallows around the fire pit; making a fire using flint and cotton and then using a battery and wire wool. The children embraced every challenge and worked well as a team, encouraging each other and giving words of advice. We cannot wait to go back!

Flower arrangers

Year 1 had two flower arrangers come to visit, Marilyn Pluess and Fran Calver. They told the children about flowers that grow locally in our gardens and flowers grown abroad. They helped the children to learn about what flowers need to grow. They watched an excellent demonstration of how to create a Spring posy arrangement, then we were lucky enough to work in small groups to create our own which can now be found around the school. Thank you very much to Marilyn and Fran!

Year 2 visit to Indian Queens Pit

Year 2 visited Indian Queens Pit on Wednesday morning to carry out mapping and orienteering activities. The children used a map of the Pit, working together to find hidden letters that made up a message. They explored the surrounding areas and ran the daily mile in the Pit. Despite unfavourable weather near the end of the morning, the children enjoyed the visit.
