

Dear Parents,

Introducing the Santa Stamp!

The Friends of St Catherines are pleased to announce that we have signed up with Santa Letter Direct to allow you to order a unique, personalized letter from Santa to be delivered directly to your door! This will help to raise funds for our school whilst providing a magical experience for your child.

It's very simple to participate:

1. Go to the website: www.SantaLetterDirect.co.uk/MySchool/
Enter our school code: SD0628
2. Purchase a stamp online for £4.99. The stamp will be sent via post directly to your home address with a unique code on it for you, the parent, to secretly keep.
3. Your child writes a letter to Santa, pops it in an envelope with the stamp affixed and then posts it in the post box located in the school office reception area – it's off to the North Pole!
4. The parent then goes online and personalizes the reply letter from Santa using the unique code previously provided on the stamp. To make the letter authentic, you will be asked to personalize details such as child's name, age, birthday, a relative's and friend's name, desired present, an achievement this year etc.
5. The reply letter from Santa will be posted to your home address via Royal Mail.
6. The reply envelope (with a North Pole stamp affixed) will include a personalized letter from Santa, a nice list certificate, and a door hanger plus you will also receive a text message from Santa on Christmas day wishing them a Merry Christmas.

We hope that this is a fun Christmas tradition that you might enjoy doing whilst supporting the school!

Thank you,

The Friends of St Catherines
