Dear Parent/Carer,

Year 1 Visit to Oliver's Park

We would like to take the children to Oliver's Park as part of our Design Technology work on designing playgrounds and equipment. We will also be using the opportunity to go on a 2D/3D shape and pattern hunt, to link in with our Maths work on shape and pattern.

We propose to do this first thing on **Friday morning 2nd November** weather permitting. If it is inclement we'll try the following week **9th November**.

We need at least two more adults to join us on the very short walk to the park and back. If you are able to accompany us, please let us know on the permission slip below.

Thanking you for your co-operation,

A Winiacki
