Tuesday 22<sup>nd</sup> January 2019

Dear Parents,

We are planning to arrange an opportunity for children in Years 4, 5 and 6 to complete their level 1 Bikeability course. Its precursor was called Cycling Proficiency. Bikeability is the only Government approved and nationally recognised award for cycle training.

The Bikeability trainers will be coming to St Catherine's during the week starting Monday 11<sup>th</sup> February.

Level 1 is playground based. It teaches children how to handle their bikes safely off road.

Children need to be able to ride their own bike independently. There will be a maximum of 20 children per session. Level 1 will take 2.5 -3 hours to complete. This may be over one session or split over two sessions, depending on the number of children interested in taking up this opportunity.

The cost for level 1 is £17. All children will need to have their own road worthy bike and a helmet.

There may be an opportunity later for children to continue and complete their Level 2 course. This is free to children who have completed their Level 1 course. It is road based and again takes 2.5 – 3 hours to complete. Only a maximum of 12 children can attend each of these sessions

Please indicate if you would like your child to take part, by emailing the school office. Once we have an idea of numbers, then we will be able to confirm the day and times of sessions.

Yours Sincerely

Mrs Sparks

Head Teacher

A family united in God's love,  
learning in faith together for a compassionate tomorrow.
