We will post the meeting notes on our website and endeavour to keep you all updated on what the 'Reality Makers' are up to in and around school. Later this month they are meeting with the Health & Safety Lead for the whole of Aspire Multi-Academy Trust to discuss Health & Safety in our school!

### Lunchtime Issues

Can parents ensure, if your child is having a packed lunch, to please pack a teaspoon if they require one and a drink. Unfortunately the school kitchens are unable to provide these for pupils with pack lunches.

We are experiencing some difficulties with pupils at the Junior School booking a packed lunch in the morning and then going to the kitchen at lunch times and having a school dinner. This obviously has consequences when we are cooking quantities based on orders placed in the morning. In an effort to eliminate this happening please can parents ensure their child knows if they are to have a packed lunch or a school dinner each day. If a child has a school dinner a charge will be made even if a packed lunch has been provided as well.

School dinner menus can be found on our school website [www.budeprimary.org](http://www.budeprimary.org) and meal booking takes place in the classroom now NOT online. Only payments are made online.

**Breakfast Club** Please remember to book your child into Breakfast Club via Parent Pay. You no longer have to pay to book but please monitor your account balance responsibly. If your child requires breakfast they must be in Breakfast Club **before 8:30am.**
