Good luck to our 'Terrific Trio'

Mr Whelan, Mr Edwards & Mr Paton!

Our terrific trio of action men are competing TOMORROW in the Bude Quadrathon. Our chaps are competing in this gruelling event in order to raise money for nurture resources across Bude Primary Academy and for Penhallagon Friends, a charity who support families through bereavement.

We will have collection buckets at school on Monday so please support their enormous effort and achievement by bringing any spare change with you at drop off and collection time - all donations very gratefully received. Thanks in advance!

Awesome outdoor activities including brilliant bike-ability

This week Year 4 took part in an exciting team building activity day including a Canadian canoeing adventure and problem solving challenge – everyone had an amazing time and thank you so much to Shoreline! Our Year 5 pupils enjoyed a fantastic day of cycling with Sam from British Cycling. We had some real inspirational moments showing grit, determination, endeavour and resilience. Lots of fun had by all of year 5 with 100% taking part.

Welcome to Bude Primary Academy 2018

Tuesday 25th September starting at 6pm

We would like to invite all parents to attend an information evening and to meet your child's class teacher to find out about class routines and the curriculum they will be following this year. The evening will begin in the Junior School Hall (as it is slightly larger!) with an introduction from Mrs Dyer and Mr Edwards on this year's school development plan and our pastoral provision. At 6:30pm, parents will then go to their child's class to meet their teacher. The class presentations will be repeated again at 7pm – 7:30pm for parents with children in more than 1 class. If you have 3 or more children in school, please can you inform the office so we can ascertain whether we need to run the sessions a 3rd time. A crèche will be available during the introduction.

We really hope you will be able to attend.

Stars of the week & Achievement Awards!
