Rational

As a Church of England school we aim to promote a Christian Character through serving our community by providing an education of the highest quality within the context of Christian belief and practice. We encourage an understanding of the meaning and significance of faith, and promote Christian values through the experiences we offer to all our pupils.

Through this Safeguarding Policy, St Paul's fully recognises the contribution it can make in protecting, supporting and promoting the welfare of children in the school. The Governing Body and staff team is committed to ensuring that children are safe, that safeguarding and child protection practice is effective and that procedures are followed. The School staff will make every attempt possible to ensure that children are safe from abuse or harm during their time at the School and will be vigilant in their observations of children who may be exhibiting signs or symptoms of harm.

Aims

- To promote a positive ethos in the school which reflects Christian principles and values and which is conducive to learning.
- To provide an atmosphere of trust and respect where each child feels safe and is able to fulfil his/her potential.
- To provide a safe, supportive and pleasant environment both for children and adults, where all members of our school community are valued and where bullying and other forms of abuse are always unacceptable.

Equality Act 2010 <https://www.gov.uk/government/publications/equality-act-2010-advice-for-schools>

Research suggests that between 6-19% of school aged children will suffer severe maltreatment, and disabled children are three times more likely to be abused. Due to their day-to-day contact with pupils, school staff are uniquely placed to observe changes in children's behaviour and the outward signs of abuse. Children may also turn to a trusted adult in school when they are in distress or at risk. It is vital that school staff are alert to the signs of abuse, both inside and outside the school and understand the procedures for reporting their concerns. The school will act on identified concerns and provide early help, or support others to do so, to prevent concerns from escalating.

Terminology

Child/Children include everyone under the age of 18.

Safeguarding and promoting the welfare of children refers to the process of protecting children from maltreatment, preventing the impairment of health or development, ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes. It can also include issues such as health and safety, use of reasonable force, meeting the needs of pupils with medical conditions, providing first aid, educational visits, intimate care and emotional well-being, online safety and associated issues and security – taking into account local context.

Child protection refers to the processes undertaken to protect children who have been identified as suffering, or being at risk of suffering significant harm.

Early Help providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years. It is about providing support quickly whenever difficulties emerge to reduce the impact of problems.

CAF – Common Assessment Framework an early help inter-agency assessment. It offers a basis for early identification of children's additional needs, the sharing of this information between organisations and the coordination of service provision. Early help assessments should identify what help the child and family require to prevent needs escalating to a point where intervention would be needed via a statutory assessment under the Children Act 1989. The findings from the Common Assessment may give rise to concerns about the child's safety and welfare. In these circumstances, it should be used to support a Referral to Children's Social Care: however undertaking a CAF is not a pre-requisite for making a referral.

Staff refers to all those working for or on behalf of the school, full time or part time, temporary or permanent, in either a paid or voluntary capacity.

Parent refers to birth parents and other adults who are in a parenting/carer role, for example step-parents, foster carers and adoptive parents.

LADO – **Local Authority Designated Officer** – a post in the local authority, to coordinate and manage allegations against staff.

Social Care Direct – Wakefield's children social care/Family services.

LCSP – Local Safeguarding Children Partnership – strategically oversee and scrutinise safeguarding in the district..

WSCP - Wakefield Safeguarding Children Partnership -strategically oversee and scrutinise safeguarding in the district.

Safeguarding Partners – Health, Police and Local Authority.

Signs Of Safety – an approach to family intervention work in Wakefield district, used across the Continuum of Need.

Continuum of Need – outlines the different levels of support for children and families in Wakefield District.

DSL - Designated Safeguarding Lead. School will have a safeguarding team.

FIM – Future in Mind. Program to help in promoting, protecting and improving our children and young people's mental health and wellbeing.

MARF - Multi Agency Referral Form used in Wakefield district.

MASH – Multi Agency Safeguarding Hub who gather information following a referral to Social Care Direct.

Safeguarding legislation and guidance

Section 157 of the Education Act 2002 and the Education (Independent Schools Standards) (England) Regulations 2003 require proprietors of independent schools (including academies and city technology colleges) to have arrangements to safeguard and promote the welfare of children who are pupils at the school.

The Teacher Standards 2012 state that teachers, including Headteachers, should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.

Statutory Guidance

Working Together to Safeguard Children

Working Together to Safeguard Children (updated in March 2015) covers the legislative requirements and expectations on individual services (including schools and colleges) to safeguard and promote the welfare of children. It also provides the framework for Local Safeguarding Children Boards (LSCB's) to monitor the effectiveness of local services, including safeguarding arrangements in schools.

Keeping Children Safe in Education (Updated 2019)

Keeping Children Safe in Education (in effect from September 2016) is issued under Section 175 of the Education Act 2002, the Education (Independent School Standards) (England) Regulations 2010 (as amended by SI 2012/2962) and the Education (Non-Maintained Special Schools) (England) Regulations 2011. Schools and colleges must have regard to this guidance when carrying out their duties to safeguard and promote the welfare of children. Contact details: email: hillingp@alverthorpestpauls.co.uk tel: 01924 290125

All staff have a responsibility for Safeguarding no matter what their role. These are outlined clearly in Part One of Keeping Children Safe in Education 2019.

The school will ensure there is a member of the senior leadership team in the safeguarding team and that appropriate cover is provided if they are unavailable. The DSL and Deputy DSLs completed designated teacher child protection training in July 2019. All the safeguarding team will be trained to the same standard as the designated safeguarding lead and the role will be explicit in their job descriptions.

DSL responsibilities:

Manage referrals

The designated safeguarding lead is expected to:

- Refer cases of suspected abuse to the local authority children's social care as required;
- Support staff who make referrals to local authority children's social care;
- Refer cases to the Channel programme where there is a radicalisation concern as required;
- Support staff who make referrals to the Channel programme;
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required; and
- Refer cases where a crime may have been committed to the Police as required.

Work with others

- Liaise with the Headteacher to inform him or her of issues especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations;
- As required, liaise with the "case manager" (as per Part four) and the designated officer(s) at the local authority for child protection concerns (all cases which concern a staff member); and
- Liaise with staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies. Act as a source of support, advice and expertise for staff.

Undertake training

The designated safeguarding lead (and any deputies) will undergo training to provide them with the knowledge and skills required to carry out the role. This training is at least annual via DSL forums and independent DSL training. The designated safeguarding lead will undertake Prevent awareness training.

In addition to the formal training set out above, their knowledge and skills will be refreshed (this might be via e-bulletins, meeting other designated safeguarding leads, or simply taking time to read and digest safeguarding developments) at regular intervals, as required, but at least annually, to allow them to understand and keep up with any developments relevant to their role so they:

- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments;
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so;
- Ensure each member of staff has access to and understands the school's or college's child protection policy and procedures, especially new and part time staff;
- Are alert to the specific needs of children in need, those with special educational needs and young carers;
- Are able to keep detailed, accurate, secure written records of concerns and referrals;
- Understand and support the school or college with regards to the requirements of the Prevent duty and are able to provide advice and support to staff on protecting children from the risk of radicalisation;
- Obtain access to resources and attend any relevant or refresher training courses; and
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

Raise Awareness

- The designated safeguarding lead will ensure the school's child protection policies are known, understood and used appropriately;
- Ensure the school's child protection policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors regarding this;
- Ensure the child protection policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school or college in this; and
- Link with the local LSCP to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

Child Protection File

- Where children leave the school ensure their child protection file is transferred to the new school or college as soon as possible. This should be transferred separately from the main pupil file, ensuring secure transit and confirmation of receipt should be obtained. In addition to the file, the safeguarding lead will also consider if it would be appropriate to share any additional information with the new school.

Availability

- During term time the designated safeguarding lead (or a deputy) will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns.

The deputy DSL(s) is appropriately trained and, in the absence of the designated lead, carries out those functions necessary to ensure the ongoing safety and protection of pupils. In the event of the long-term absence of the designated lead, the deputy will assume all of the functions above.

The Governing Body ensures that the school:

- Creates a culture where the welfare of students is paramount and staff feel confident to challenge over any concerns.
- Complies with their duties under legislation - including the Prevent Duty 2015.
- Contributes to interagency working and plans.
- Takes into account WSCP procedures.
- Has a nominated governor (usually the chair) who liaises with the Designated Officer in the event of an allegation being made against the head teacher.

- Has an appropriate response to children who go missing from education and inform and report to the Local Authority when required.
- Appoints a DSL who is a member of the senior leadership team, trained every 2 years, and that the responsibilities are explicit in the role holder's job description. The DSL should be given time, funding and training to support this. There should always be cover for this role.
- Has considered how children are taught about safeguarding – PSHE/SRE.
- Has evidence of the child voice and that there are systems in place for feedback and pupils views.
- Appoints a designated Child in Care (CIC) teacher and ensures appropriate training. Ensure staff have awareness of this group and their needs including contact arrangements.
- Have procedures for dealing with allegations of abuse made against members of staff including allegations made against the Headteacher and allegations against other children. Procedures are in place for referral to the DBS disclosure and barring service.
- Has safer recruitment procedures that include statutory checks on staff suitability to work with children and ensures recording of this. Ensures volunteers are appropriately supervised. Ensures at least one person on appointment panel is safer recruitment trained.
- Develops a training strategy that ensures all staff, including site staff and the Headteacher, receive information about the school's safeguarding arrangements on induction and appropriate child protection training, which is regularly updated in line with any requirements of the LSCP.
- Ensure appropriate online filter and monitoring systems are in place and ensure online safety is included in lessons.

The Headteacher:

- Ensures that the child protection policy and code of conduct are implemented and followed by all staff
- Allocates sufficient time, training, support and resources, including cover arrangements when necessary, to enable the DSL and deputy to carry out their roles effectively, including the assessment of pupils and attendance at strategy discussions and other necessary meetings
