Unit Summary

People Of The Past

 Significant people

How you can help at home

History is one big story, filled with important people who did many great things - scientists, rulers, artists, writers, explorers. By learning about these people and what they did, we can find out more about the qualities that make someone great.

Research a famous person from the past and create a fact file or poster! It could be a Scientist, Ruler, Artist, Writer, Explorer or anything else! Make sure you bring it in to show the class.

Become an explorer and create a map of a journey you take. It could be a journey around your home, to the shops and back, or a trip to a friend's house. Can you use a key and add simple compass directions?

Write a short story or make a picture book about a fictional explorer. Where do they travel? How do they travel there? What do they discover? You could read this book by Katherine Rundell to get in the mood!

Become a scientist and create an invention yourself! You could read this book by Anna Claybourne and Adam Larkum for some inspiration.
