### Message from Miss Howell

The children enjoyed their assembly with a local author this week. They liked learning about her book - *Mysterious Boy* and hearing how she wrote it.

Last week I said we would be putting in a number of measures to ensure everyone's safety, so far we have started using walkie-talkies to make communication between classrooms/areas quick and easy. All pupils have been involved in discussions and activities about keeping themselves safe and where they are allowed to go. We will also be adapting the boundary at the bottom of the forest to make it more secure. We will update you on any further developments.

This week Mrs Smith, Mrs Harper's Maternity cover, visited to find out more about the class. She will be visiting again next Thursday to spend some more time with the children and will hopefully have a chance to meet some parents.
