Mask Wearing and Social Distancing

Parents and carers please make sure that you are wearing a facial covering or shield when entering the school site. It is also important that you stick to the 2m distancing rule when waiting to drop off or collect your child from school. If you are unable to wear a mask due to medical reasons then please make sure that you adhere to the 2m distancing ruling. Please make sure children do not run on to the school field at the end of the day, everyone should stay inside the fence. Please also be mindful of The Nest's property and children attending their site. It's paramount that we all try to work together to ensure that our school site is a safe place for everyone. Thank you in advance for your support with this matter.

Please could we ask that parents email the school using admin@camwoodfield-jun.gloucs.sch.uk regarding any general information or messages the school staff need to be aware of, or alternatively telephone the school office on 01453 542706. Thank you for your cooperation.

AMAZING CHILDREN AT CWJS

The children have been EXCEPTIONAL during this unusual start of school's academic year and Mrs Bennett would like to say a HUGE THANK YOU to all of children for making CWJS the BEST place to work and learn! A big thank you to all the parents as well for their support and cooperation in these testing times—You're amazing too!

Celebration Assembly

Mrs Bennett really wants to encourage children to share their achievements and hobbies that they take part in outside school. Recently, Mrs Bennett has celebrated a child who enjoyed outdoor pursuits: hand standing on a paddleboard, horse riding and cycling. The second child achieved a level 5 swimming certificate . So, if your child has other talents or interests outside of school, then please send in photos or certificates that they can share with the rest of the school community during their live virtual assemblies.
