### **Talent Show**

The 'Talent Show' will take place on the Friday 5th April, where five acts that have been selected from their class, will perform in front of the whole school. Each act that takes part in the final will receive a prize.

### **Therapy Dogs**

We are really fortunate to have such great Pastoral support for our children and to add to this provision we will now have, after Easter, our canine friends. It is widely known that canine therapy can support children and adults with their emotional wellbeing.

Indy, (Mr Jones' dog) will be coming into school every other week to sit with the children whilst they read. This is another type of way that our canine friends can help children, especially reluctant readers. Other schools both nationally and locally have invested in this type of canine intervention and the impact is very positive.

Please note: Although the school will be having two therapy dogs for these interventions, the exclusion of other dogs on site still stands.

Further information can be found on the web about this type of therapy. Here are a few websites, if you would like to know more about the benefits of having canine therapy in schools:
