

HEAD OF SCHOOL UPDATE

As most of you will be aware next week, our year 6 children will take their SATs tests. We will try to keep this week as normal as possible with clubs and music lessons still running. We are extremely proud of all the year 6s and the way they have worked this year and wish them every success for the week. A reminder that a breakfast club will run in the hall from 8am Monday to Thursday for all Y6 children and their siblings at no cost.

Please can we ask all parents that children arrive at school on time each day between 8.30am and 8.45am to ensure registers and lunch orders can be organised in plenty of time.

On Tuesday this week, Tempest came into school to take the class photographs. A big thank you to parents and carers for ensuring all children looked extra smart for the photographs.

Also on Tuesday, year 1 attended a multisports event at Camborne Science and International Academy. Although it was a rather cold day, all the children had lots of fun taking part in a variety of activities, alongside several other local schools.

On Wednesday, we welcomed the RNLI into school to deliver an assembly on the importance of beach safety. A huge thank you to the lifeguards who attended and gave such an interesting and informative presentation.

Also on Wednesday, the whole school celebrated Plastic Free Day. The aim was to raise the awareness of how much single use disposable plastic we use in our everyday lives and then re-educate the children to make a difference in the future by researching alternatives. Year 5 investigated the amount of packaging used to send a single item and discussed a variety of posters and slogans and assessed their effectiveness at persuading the reader to make a change in their behaviour. After listening to a story and researching the facts, the children put into practice their new skills and designed posters with effective, eye-catching slogans to inform their peers of the dangers.

GWINEAR SHOW

Well done to all those pupils who entered examples of their work at Gwinear Show on Saturday, 4th May. Many congratulations to all those who were awarded prizes - we are very proud of you all for taking part.

PARKING

Please can we remind parents and carers that when dropping off and collecting your child/ children from school, to be considerate to our local residents. Please do not block driveways or cause any obstructions.
